

DOING THEM PROUD.

The Soldier Boys From Tennessee Faring on the Fat of the Land.

A member of the regiment of Tennessee soldiers now enroute to San Francisco to proceed to Manila, is acting as correspondent for the Nashville Banner and tells his paper of the trip across Colorado Monday:

We were given ovations all across Nebraska, but it remained for beautiful Denver to do the thing up brown. We arrived there at 2 o'clock this morning and found the depot crowded with men, women and children, who had been waiting for us since yesterday afternoon, and their hearty welcome was a thing to remember.

Large delegations from the Soldiers' Aid Society and the Southern Society distributed flowers, boxes of lunch and kind words. They visited the sick and did everything in their power to make our stay a pleasant one. We stayed in Denver two hours, then struck out through the snow-capped mountains.

The weather is very chilly, but the men who haven't overcoats use blankets, and none are suffering. We caught up with the first section at Denver in time to hear Col. Smith's speech of thanks for the elegant reception.

At Colorado Springs, hundreds of ladies crowded the depot and the boys were once more proffered with fruit and sandwiches. Just as the train pulled in a handsome lady rushed up and commenced shaking hands with the soldiers. She was Mrs. Margaret Davis Hayes, eldest daughter of Jefferson Davis. She brought fruit, flowers and was tearfully profuse in her welcome and God-speed to the sons of the men who fought for her father.

At Pueblo, which was reached about noon, there was an immense crowd and the already plethoric commissary received additional lunches and the like. We leave here for the Royal Gorge, and all are impatient to see something grander than Pike's Peak, which we have passed.

The case of the Tudor Iron Works against the Empire Coal Company was dismissed, settled.

TWINE IS TWINE.

Increase in the Price Costs Farmers Thousands of Dollars.

Binding twine that last year cost the farmer 5 cents a pound at retail is this season selling at 14 cents a pound. The Dingley tariff has done the business coupled with the war price advance. This means a big thing to the farmers everywhere, and especially here in Christian county. It is estimated that 2,000 pounds of binding twine were sold in this city last year at 5 cents, or a total of \$10,000.

This year the same twine will cost them \$28,000, or a net loss of \$18,000. Perhaps when we get the Philippine islands, where jute twine comes from, we can save the duty and get our time at living prices.

Prof. Kirkpatrick's Departure.

The departure from our city of Mr. C. T. Kirkpatrick, for two years principal of the City High School, is much to be regretted. Through conversation with Mr. Kirkpatrick, it was the understanding of the Board that he could not accept his position here, unless his salary was increased. Under the present financial condition, the Board was unable to make the advance, so Mr. Kirkpatrick will not remain. He leaves to-morrow in obedience to a call from a well-known Tennessee institution.

FOUR AMERICANS KILLED.

Another Fight With Spaniards at Guantanamo.

A delayed dispatch from Hayti says:

Lieutenant-Colonel R. W. Huntington's battalion of marines, which landed from the transport Panther on Friday and encamped on the hill, guarding the abandoned cable station at the entrance to the outer harbor of Guantanamo, was engaged in beating off a bush attack by Spanish guerillas and regulars Saturday afternoon. The fighting was almost continuous for thirteen hours, until 6 o'clock Sunday morning, when reinforcements were landed from the Marblehead.

Four of our men were killed and one wounded. The advance pickets under Lieutenants Neville and Shaw are unaccounted for. Among the killed is Assistant Surgeon John Blair Gibbs, son of Major Gibbs, of the regular army, who fell in the Custer massacre. His home was at Richmond, Va., but he has been practicing in New York, and he entered the service since the war began. He was a very popular officer. The others killed are Sergeant Charles H. Smith, of Smallwood; Private William Dunphy, of Gloucester, Mass., and Private James McColgan, of Stoneham, Mass. Corporal Glass was accidentally wounded in the head.

The Spanish loss is unknown, but it was probably considerable. The splashes of blood found at daylight at the position the Spaniards occupied indicate fatalities, but their comrades carried off the killed and wounded.

FIGHT AT CHICKAMAUGA.

Two Hopkinsville Soldier Boys Thrash a Bluffer.

Privates Howard Bush and Jim Wooten, two of Hopkinsville's "light weight" soldiers, had a fight at Chickamauga a few days ago with a big fellow named Cornelius. The scrap was a somewhat friendly one.

Cornelius offering them \$2 if they could whip him. The boys promptly accepted the challenge and waded into him, the result of the combat being a disastrous defeat for the bluffer. Cornelius put up the money, which the referee turned over to the victors. Cornelius then went to Capt. Gaines and asked to have his money refunded, but Gaines sustained the boys and told Cornelius that he would put him in the guard house for fighting, if he raised any further disturbance over his own proposition and its result.
